Essential Strategies, Core Frameworks & Practice

An advanced assessment technique designed to evaluate **reading comprehension**, **vocabulary**, and **grammatical logic**. A passage with strategically removed words is provided, requiring the test-taker to fill in the blanks using contextual clues.

Core Formula for Cloze Success

3. The 4 Golden Pillars of Cloze Tests

(2)	(A) hinder (B) foster (C) promote (D) accelerate	(A) hinder	Contrast signal

Pillar 2: Collocations & Phrasal Verbs: Words that naturally pair together. Example: "Abide **by**", "Interested **in**", "Pay **attention**".

Pillar 3: Tense Consistency: Match the passage's temporal baseline (Past, Present, or Future narration).
